

## Product Description

- Product code 63000903
- Dimensions Size underlay H 1000 x L 6000 x TH 1,8 mm
- Packaging Per box (10,8 kg net)  
40 boxes / pallet = 240 m<sup>2</sup> (432 kg net)
- Composition PU mineral adhesive layer
- Features Exceptional compressive strength and dynamic load resistance, which ensures extended durability. Good damping of walking sound and impact sound.  
Low thermal resistance: applicable for floor heating systems.
- Installation Easy Installation: sliceable with a standard cutter knife

## Requirements

Characteristics	Method	Value
Thickness of the underlay measured	EN ISO 823	1,8 mm
Foam colour		Grey
Reflected walking sound	EN ISO 10140	24 Sone / -68 %
Impact sound reduction	EN ISO 10140	12 dB
Compressive strength	EN ISO 826	400 kPa
Punctual conformability to even out unevenness of subfloor	EN ISO 868 / TS 16354	0,55 mm
Thermal Resistance	EN ISO 12664	0,01 m <sup>2</sup> K/W
Compatibility with floor heating		Yes
Reaction to fire	EN ISO 13501-1	Bfl-01

## Storage conditions

Do not store outdoors, protect from exposure to sunlight.
